

YESICA R.

LATO

FULLSTACK DEVELOPER

ABOUT ME

Vibrate with enterprising energy. I am moved by curiosity, I never give up and I focus on exceeding my own limits. I give my best because I like to work with commitment and dedication. I live the changes as opportunities and I learn from my mistakes.

Excellence and execution are key in my way of doing things.

I promote good weather, bringing happiness and fun.

I know how to build with others and enjoy working as a team.

Always learning to improve my IT suitability. Studying a Bachelor's Degree in Systems Engineering.
